

Portfolio Report For Highways

Name: Fiona Houlton

Date: February, 2026

Comment

1. Clanville – Drainage works starting on 14th Feb for 3 weekends until 1st March – 8-5pm
2. Clanville – Wessex Water – drains work 16 (from 10pm) - 20th Feb (to 4pm)
3. Sinkhole – 9th Feb Investigatory works and prep starting. Main repair works starting in March
4. Hillcrest – large concrete slab on path – caused by vandalism – has now been removed
5. Hillcrest – spoke to the Owner and suggested mtg on site to see how we could help. A further conversation with his wife who has said a mtg not necessary and its not their fault that Vandals getting in. I did recommend Camera's and cutting down brambles/vegetation but apparently Police recommended brambles as a deterrent
6. Leaning Wall Hillcrest – chasing up Highways for final inspection at end of Jan 26 result/decision – waiting reply
7. APC Safety Focus Group – met to discuss how to reduce speed from 60 to 40mph the full length of A371
mtg notes attached
8. Dog Poo signs: 2 have been installed and 2 more shortly. Pink spray to be used around Football Pitch and then will advise AP Residents via Facebook
9. Graffiti remover – having looked online and found a confusing number of products I have asked Andrew/Sarah if they would kindly purchase a bottle and invoice us (4th Feb, 26)
10. A371 Bank, Ansford Hill – currently organising onsite mtg with SC re Bank to be arranged week of 9th Feb
To show SC Councillors, as they have not visited before the danger faced by users of the A371 and residents of Elms Lane
11. A371 Bank, Ansford Hill – following up with SC for Risk Assessment regarding Bank
12. Monarch's Way Board – Dave Gill bringing to show us at mtg before he puts it up
13. Large Pothole – on Station Bridge has opened up again – I have reported it ref: 874529. and emailed Highways directly
14. Ansford Parish Safety Focus Group – we have actioned all that we needed to do from our mtg notes. The FOI from the Police for Nov/Dec 25 has been returned and will be sent to Ben for analysis. Our next mtg will be organised once all Data has been fully collated and formatted.
15. Potholes/Drains – Debra and I will meet to photo all potholes/drains needing repair and report to SC hopefully week of 16th February
