

# Portfolio Report For

Name: Fiona Houlton

Date: 7<sup>th</sup> April, 2026

## Comment

1. Clean-up of graffiti on sign posts has been started
2. Mtg A371 Elms Lane Bank on 24<sup>th</sup> March, 26 – £1.9K ring fenced for repairs. Management being transferred to Major's Dept to oversee project (waiting confirmation of this). Contract then expected to be in place end of Summer and work starting in the Autumn. Utilities on site will need to be sorted before the Bank work starts. There will be a road closure for 10 weeks if Bank and Wall repaired at same time. If only repairing Bank no road closure required. We have been assured by SC that the current timescales are achievable.
3. Moving and upgrading of 2x SID post on A371 Lower Ansford Hill should happen soon as a new location has been found for one of the posts on Wyke that will need to be confirmed by SC
4. SID Post to be moved from Ancastle Terrace next week
5. Looking into a Gatso Speed Box to be permanently installed on the A371 in APC – contacting Police
6. I will be researching Highway Volunteer Training
