

# Portfolio Report For Health and Safety

Name Annette Parker

Date 3 March 2026

## Comment

- Bleed kit and defibrillator now both up on Ansford Academy wall.
- It has been very difficult to find a date for the “Save a Life” resuscitation and defibrillator training between the availability of the trainer, me and the main hall. The provisional date is the morning of Saturday 21 November 2026. I am just waiting for confirmation that I can have the hall for that date.
- APC is supporting the Skateboard and Scooter coaching on the pump track in Fairfield, which has been confirmed for Thursday 9 April. I will attend on the day before the coaching starts to check DBS documentation and photo ID of the coaching staff.
- A draft Safeguarding policy for APC will be considered at the March council meeting.
